**4000**

The South African Electrotechnical Export Council will be hosting a **workshop on Government Funding Schemes & EMIA Administration on the 27<sup>th</sup> February 2017 at the Conlog offices located at 270 Felix Dlamini Road, Overport, Durban, 4000**. The expected audience will be CEOs and Senior Executives drawn from the private sector together with the CEOs of the Engineering and Technology Grouping of Export Councils.

The primary objective of the workshop is to inform business about government funded and supported initiatives that are available to the South African business community. The presentations will be as follows:

1. **Department of Trade and Industry (the DTI): Ms Busisiwe Radebe**
  - 1.1. Overview of the EMIA and SASS applications for Individual Exhibitions and Emerging Exporters.
  - 1.2. Guidelines and application procedures-how can South African companies get access to the EMIA and SASS?
  - 1.3. Overview of the CPFPP.
2. **Industrial Development Corporation (IDC): Mr Pat Moodley**
  - 2.1. The Manufacturing Competitiveness Enhancement working capital loan.
  - 2.2. EU Fund for long term projects
  - 2.3. AFD Green Energy Fund
3. **Business Partners: Mr Warren Lester**
  - 3.1. What is the Business Partners product offering following its rebranding & repositioning?
  - 3.2. Financing for small and medium enterprises (SMEs) in the South African and African markets.
  - 3.3. Financing for innovative business ventures.
