Presented By: Department of Trade and Industry, Industrial Development Corporation & Business Partners

THURSDAY 3rd August 2017

09:30 – 13:30

Venue: SAEEC, CENTURION
26 Charles De Gaulle Crescent
The Greens Office Park, Pecanwood
Highveld, Centurion

The South African Electrotechnical Export Council will be hosting a **workshop on Government Funding Schemes & EMIA Administration on the 3rd August 2017 at the SAEEC offices located at 26 Charles De Gaulle Crescent, The Greens Office Park, Pecanwood, Highveld, Centurion**. The expected audience will be CEOs and Senior Executives drawn from the private sector together with the CEOs of the Engineering and Technology Grouping of Export Councils.

The primary objective of the workshop is to inform business about government funded and supported initiatives that are available to the South African business community. The presentations will be as follows:

1. **Department of Trade and Industry (the DTI): TBC**
 - 1.1. Overview of the EMIA and SASS applications for Individual Exhibitions and Emerging Exporters.
 - 1.2. Guidelines and application procedures-how can South African companies get access to the EMIA and SASS?
2. **Department of Trade and Industry (DTI) Capital Projects Feasibility Programme (CPFP): TBC**
 - 2.1 Cost-sharing grant that contributes to the cost of feasibility studies likely to lead to projects that will increase local exports and stimulate the market for South African capital goods and services.
 - 2.2 Operations of the Capital Projects Feasibility Program uptake from various sectors
 - 2.3 Project Funded in the Electrical Sector since inception of the scheme
3. **Business Partners: Ms. Megan Dedekind**
 - 3.1 What is the Business Partners product offering following its rebranding & repositioning?
 - 3.2 Financing for small and medium enterprises (SMEs) in the South African and African markets.
 - 3.3 Financing for innovative business ventures.
3. **Industrial Development Corporation (IDC): Mr. Billy Cobbinah**
 - 3.1. The Manufacturing Competitiveness Enhancement working capital loan.
 - 3.2. EU Fund for long term projects
 - 3.3. AFD Green Energy Fund
